WELCOME

Uniform is worn by members to create a sense of unity and to identify them as Guides. The uniform has been designed with input from the Guiding community to be vibrant, modern, practical and attractive.

In designing the new uniform, we've listened to what girls say they want to wear so that they feel proud to be a Guide. The girls told us they wanted a uniform that changed as they grew older so a variety of uniform options have been designed to meet the needs of girls, tweens and teens.

Delivery

Allow five working days from receipt of order to dispatch. We aim to process every order within three working days. Delivery can take up to a week using standard Australia Post services.

Care of fabric

Uniform items are made from breathable, serviceable fabrics that will suit all Guiding activities. To ensure the long life of your garments, refer to the washing instructions on the label.

Stock availability

The majority of items take 12 weeks to order. However there are some items including the book bag, spray jacket, suit jackets, suit pants and the everyday stretch pants which are available at all times. For all items, order through your Guide retail outlet.

We aim to have the necessary stock to meet orders. However, at times we can't meet demand. SIZE GUIDE

This uniform is more fitted than the previous one and some people have found they like to upsize, especially for outdoor activities. Some items are also more generously sized than others—the hoodie and polar fleece for instance. To get the right fit the first time, it pays to check the measurements provided below against your measurements.

The charts on pages 8 and 9 are a guide only, so choose the garment size closest to your own body measurements. As the chart lists body measurements, the garment measurements will be larger than the chart. If you would like room to grow or would prefer a 'roomier fit', order a size larger than your usual requirements.

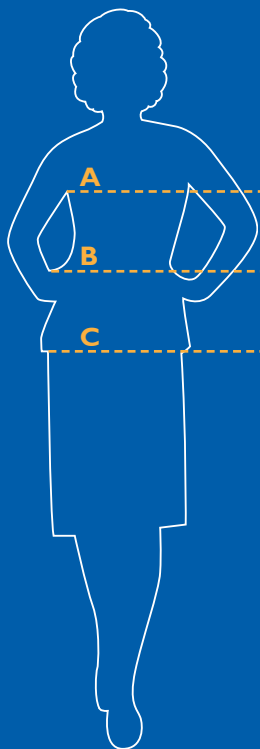

Sizes vary according to the individual style and fabrication and all sizing suggestions are guidelines for average measurements. Choose the garment size closest to your own **body measurements** from the chart below.

YOUTH BODY MEASUREMENTS

Size	6	8	10	12	14	16	18
Chest (cm)	66	70	74	79	84	89	94
Waist (cm)	56	59	62	65	68	71	74
Hip (cm)	70	74	78	83	88	94	99

ADULT BODY MEASUREMENTS

Size	6	8	10	12	14	16	18	20	22	24	26	28	30
Bust (cm)	80	85	90	95	100	105	110	115	120	125	130	135	140
Waist (cm)	62	67	72	77	82	87	92	97	102	107	112	117	122
Hip (cm)	87	92	97	102	107	112	117	122	127	132	137	142	147

A. BUST/CHEST Keep the tape up under arms and around shoulder blades while measuring around the fullest part of the bust. Hold one finger between body and tape.

B. WAIST Hold one finger between body and tape while measuring around natural waist.

C. HIPS Measure around fullest part of hips (about 20cm down from waist) while standing naturally.

MEASURING TIPS

- Use your exact measurements when selecting your size

An Australian flag cloth badge may also be worn on the hem of the left sleeve of either shirt option. The Australian flag cloth badges remain in place on return to Australia. They do not need to be removed.

The metal Australia badge may be worn on the sash in place of the State badge. (The State badge must be removed while the Australia badge is in place.) This badge can only be worn while overseas – it must be removed from the sash on returning to Australia. If sash is not worn the metal Australia badge may be worn on the right hand side of either shirt option opposite the logo. The Australian “Wattle” metal badge may be placed next to the metal Australia badge and underneath the service star if wearing the sash. Alternatively, this badge may be worn on the right hand side of either shirt option opposite the logo and next to the Australia badge. This badge can continue to be worn on return to Australia.

Additional notes

- Region, area, Division and District badges (other than tapes) are not to be worn on the sash.
- Guide Biscuit, ANZAC and special State event badges NOT to be worn on the sash.

UNIFORM GUIDELINES

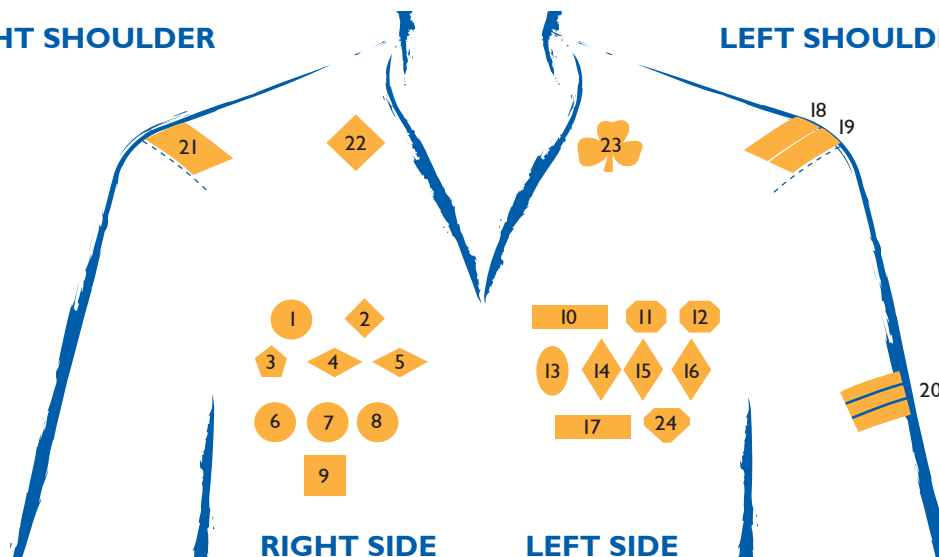

Uniform is to be worn to all Guide activities. A Guide activity is one that is held in the name of Guiding at local, Division/Region, State, Australian or international level. However members may wear casual attire (including non-uniform items with Guide logo) for some activities, such as camping, abseiling, canoeing, as the organisers deem appropriate.

A variety of uniform options is available as outlined in the uniform options table. Guides should decide the best option(s) for their Unit. Girl choice is the fundamental basis for uniform selection, provided it is appropriate for the occasion.
