WHO NEEDS TO COMPLETE THIS FORM?

A Youth Member's parent or guardian must complete this Form each year and give it to their Unit Leader. The information on this Form provides the Unit Leader with the relevant information they need to support and accommodate the Youth Member during Girl Guiding activities.

WHEN DOES IT NEED TO BE COMPLETED?

Parents/guardians are requested to complete an ACTIVITY CONSENT AND HEALTH FORM FOR YOUTH MEMBERS at the start of each calendar year. This form would then be 'current' for the period 1 January through to 31 December and would cover all routine and predictable activities undertaken during the term. This may include camps and overnight stays.

If any box is ticked in the Health and Wellbeing section of the Form, it is the responsibility of the parent/guardian to provide any applicable additional information, any required medication, and include Care Management Plan(s) as applicable.

Should the Youth Member have a temporary condition or be on medication temporarily (e.g. broken limb, antibiotics), the parent/guardian is to provide the relevant written information to the Unit Leader or Leader in charge (LiC). Likewise, the Unit Leader/LiC is also to be notified when the Youth Member no longer requires the medication. In the case of ongoing conditions and treatment, e.g. epilepsy or asthma, the parent/guardian must note the validity period of the additional information. Any information supplied will only be valid until 31 December of that year.

Should an activity, including adventure-based activities and camps, be undertaken where the LiC is not the respective Unit Leader, an ACTIVITY CONSENT AND HEALTH FORM FOR YOUTH MEMBERS (and Care Management Plans if necessary) will need to be completed and handed to the LiC of the activity or camp.

DUTY OF CARE

Parents/guardians must ensure there is an Adult Member of Girl Guides on-site and that their daughter is 'checked in' with the Adult Member before leaving their daughter at any Girl Guide activity. Parents/guardians are also responsible for 'checking-out' their daughter with an Adult Member and picking up promptly at the end of any Girl Guide activity.

Girl Guides is not responsible for the care of Youth Members when an Adult Member of Girl Guides is not present.
